AREA VISIT GUIDANCE — MANAGEMENT CONFIRMATION

North Territory and other areas requiring management direction

For completion by: Mr. Richard (Management)

Prepared: 26 August 2026

Total areas listed: 31

How to complete this form

Proceed with Caution means the area may be visited subject to management guidance, appropriate precautions and any written conditions provided.

Do Not Visit means the area must be excluded from physical sales routes. Existing customers and genuine prospects in that area remain preserved and available for telephone or WhatsApp contact, but representatives will not be routed there.

Tick one box per area, add any conditions or boundaries in the comments column, and initial each row.
